

TRAIN TO SUCCEED

Achieving Success Through Learning

Our business is business development

Do you want to improve business results by investing in your managers?

If so, our comprehensive suite of management training programmes is exactly what you need, and for a limited time only your business may qualify for a 50% subsidy which makes them both cost effective and excellent value for money.

Our suite of 8 training programmes has been developed especially for middle and senior managers, and covers the following disciplines:

Strategic Skills

- Making Vision Happen
- Marketing for Growth
- Building Bankable Business Propositions

People Skills

- Personal Skills Development for Managers
- Management Development Programme

Financial Skills

- FinanceBuilder; learn how to develop extra cash resource for your business, and develop a better understanding and control off finance and costs

Sales Skills

- SalesBuilder; perfect your pitching skills and learn how to generate more leads and to develop better social media and networking skills

Design Skills

- DesignBuilder; understand how design thinking can be used to solve business problems

Who we are

Train to Succeed is the training arm of Strategy to Succeed Ltd. We have a wealth of experience of delivering management training and you can be confident that we will deliver excellent training that will help you and your managers become more effective.

All training courses are delivered by trained professionals who are experts in their field and who work to ensure that all participants are left feeling empowered and able to take away new business skills.

All our programmes qualify for a 50% subsidy from the Skills Funding Agency therefore the cost to your business is only £750 plus VAT per person instead of the true value of £1500 plus VAT.
